

The ELVIS[®] Cruise

WELCOME TO THE ELVIS CRUISE 2012!

You are about to embark on a great 4 days of sun, friends, and those who worked with the King of Rock & roll! Enjoy your vacation aboard the beautiful Carnival Fascination as we sail round trip from Jacksonville to Nassau, while being surrounded by everything Elvis.

This Welcome Letter is full of travel advice, so let's get on with the details!

CONFIRMING YOUR CRUISE

Please now log into your reservation online to make sure your passenger information is correct. To log in, go to www.sixthman.net/account and enter your username & password. You should see "The Elvis Cruise" listed under your current reservation. Click on it and make sure your passengers' names, birthdates & citizenship information are correct. If any of these things are incorrect please contact us.

Your reservation also lists your Carnival Booking number, which you will need to register for your boarding pass. The Lead Passenger can register everyone in the cabin, or everyone can register separately. Please follow the directions below to print out your boarding pass.

Register With Carnival:

- Go to 'Manage My Cruise' on Carnival's website, and then click on 'Access Your Booking Now'.
- You will then be asked to enter your booking number, your last name, date of birth, the ship name (**Carnival Fascination**) and the sail date (**January 12, 2012**). You will see a page called 'My Cruise Manager', where your reservation will be listed.
- Click on the drop down menu under To Do List and then click on Check In/ Boarding Pass (FunPass)
- You will see passenger information needed for all guests in the cabin. The Lead Passenger can fill it out for all cabin mates, or you can fill it out individually.
 - When filling out passenger information, you will complete four steps including: passenger info, setting up Sail & Sign accounts, accepting the ticketing contract and travel info. Fill in all the information, and when you complete step 4, click on View Cruise Documents.
 - On the view cruise documents page you can print your boarding pass (individually or all in one), general information about the cruise, the ticket contract and your luggage tags. Check each item that you want printed, and click submit. A pdf will pop up for you to print your selected items. The only thing you absolutely have to print is your boarding pass, so be sure to do so.
 - If you have questions regarding the steps in this process, please contact Carnival at **1-888-227-6482**. However, if you find errors with your personal information, (misspelled name, wrong birthday), please contact Sixthman at **1-877-379-9172**.

Booking Excursions: Once you have completed the registration process listed above with Carnival, you will be able to book shore excursions for your cruise. If you have any questions about shore excursions, please contact Carnival directly at **1-888-227-6482**.

THEME NIGHTS - *don't forget your costumes!*

THURSDAY: 35th Anniversary Kickoff

We're going to be kicking off The Elvis Cruise 2012 in style by celebrating the 35th anniversary year of Elvis Presley. Once you're all checked in, go up to the Lido Deck and help get the party started!

FRIDAY: '50s Night

What did you wear back in the day? Pack it and get ready for the sock hop! Elvis had just recorded "That's All Right Mama" and his career was about to take off. We're getting ready to journey back to the good ol' days and relive the 50s.

SATURDAY: Blue Hawaii Luau Night

After your adventures in the tropical Bahamas, step back on the boat and get ready to travel to Blue Hawaii! Get out your grass skirts and Hawaiian shirts because it's Blue Hawaii Luau Night!

SUNDAY: USO Formal Night

Hup, two, three, four – hup, two, three four. March out of your cabin wearing any military uniform, because we're honoring Elvis' time spent in the Army, along with all of the service men and women who have fought for our freedom.

Then, "with your GI hair to the heels of your GI shoes," dance the night away as we cap off the evening with our very own Elvis Cruise USO Dance! This is your chance to get gussied up in your formal wear.

Dressing up for theme nights is completely voluntary, but it's way more fun when everybody participates!

DINING

All dining on board is included in your cruise fare. You will have your choice of buffet style (available breakfast through midnight snack), formal dining (evenings 5:30pm to 9:00pm) and complimentary room service. Look on your room key card to see what your dining time is. If it says "Your time Dining," that means you can head to the Sensation Dining Room at any time for dinner from 5:45pm - 9:30pm. Guests that choose the early (6:00pm) or late (8:15pm) dining time can go to the Imagination Dining Room at those times.

SEATING

Admission to shows in the Palace Lounge will begin 30 minutes prior to the start time. Guests who would like to stay from one show to the next may do so, however you may not leave and save your seat from one show to the next. We will reserve a Priority Access section on the lower level for guests who were assigned that show. This section will be cleared between shows in order to allow all guests to use their Priority Access tickets.

ALCOHOL AND ILLEGAL SUBSTANCES

Guests **21 years of age and older** may bring on board **one bottle (750ml) of wine or champagne per person only**, during embarkation at the beginning of the cruise in their **carry on luggage only**. A \$10 corkage fee per bottle will be charged should you wish to consume this wine in the main dining room. Guests may bring a small quantity of non-alcoholic beverages. All prohibited alcohol, additional quantities of wine/champagne or excessive quantities of non-alcoholic beverages will be confiscated and discarded without compensation.

Absolutely NO illegal substances are permitted and all persons and bags are subject to search by US Customs during embarkation and debarkation.
